Interest on Lawyer Account Fund of the State of New York

Funding civil legal assistance for low-income New Yorkers since 1984

FOR IMMEDIATE RELEASE

(New York, New York) March 13, 2024- The Interest on Lawyer Account Fund of the State of New York (IOLA) Increases Awards for Legal Assistance Grants by 10%

The IOLA Fund of the State of New York announced that, at a meeting held on March 13, 2024, the Board of Trustees awarded a 10% increase to all current IOLA grant contracts, subject to and upon the approval of New York State's FY25 Budget. These two-year grants support 80 programs that provide civil legal assistance to low-income New Yorkers throughout the State and have already benefitted over 630,000 individuals. The increased grant funds awarded by the Board of Trustees will be spent in the 12-month period, April 1, 2024- March 31, 2025.

The Fund administers two grant programs: Civil Legal Services, which support programs that provide a broad array of free legal services in housing, family law and public benefits, among others, and Administration of Justice, which supports programs that serve special populations such as the elderly, the disabled, immigrants, children and victims of domestic violence as well as other programs that improve the administration of justice in New York State.

The Legislature created the IOLA program in 1983. The Fund is administered by a Board of Trustees appointed by the Governor. It enables interest to be earned on short term or nominal deposits held in a lawyer's pooled client trust account, with the interest remitted directly by the financial institution to the Fund for distribution in grants.

The updated schedule of the FY24 + FY25 grants is attached.
