Where you bank makes a difference!

Since every dollar of IOLA interest supports civil legal services for low-income New Yorkers, we encourage attorneys to use a bank that pays a competitive rate on IOLA accounts.

Our **Platinum Partner** banks have made a special commitment to helping the poor, going beyond minimal compliance with our regulations to pay very competitive rates.

Though you can open an IOLA account with any of the banks listed below, there are two simple ways you can make a difference:

1. Open your account with one of our **Platinum Partner** banks, or
2. Encourage your bank to become a **Platinum Partner** bank by raising its rates!

EXAMPLE

As interest varies, a balance of **\$250,000** will earn the following annual interest:

Bank	Rate	Annual Interest
Bank A: Platinum Partner	rate: 0.70%	\$1,750
Bank B: Gold Partner	rate: 0.50%	\$1,250
Bank C: Silver Partner	rate: .40%	\$1,000
Bank D: other participant	rate: .39%	\$975

You will then be prompted to the below logon screen.
