**3. Administrative and Financial Report**

Ms. Agard reported that the cash on hand as of October 1 was about \$135.5 million with net interest earnings in October of about \$9.9, administrative expenses of \$140K, grant expenses of \$5.4 million, leaving approximately \$139.8 million on hand as of November 1. Interest revenue in October was \$9.9 million,, a more than three fold increase as compared with October 2021; year to date revenue is \$36.8 million, as compared with \$18.2 million last year, a 100% increase. Ms. Agard noted that the report prepared by Delta Consulting was through September and showed a net yield of 0.75%, which had increased to 0.99% in October.

Finally, Ms. Agard reported that administrative expenses for October were approximately \$140K and on target; she expects the IOLA Fund's administrative expenses to remain within the annual budget.

**4. Counsel's Report**

As to Grantee matters, Ms. Fecko highlighted her efforts to review the grant applications and her attendance at the NYSBA Partnership Conference in Albany in October alongside several hundred members of the NYS civil legal services community. She also noted her service on the Technology Working Group of the Permanent Commission on Access to Justice, which is planning the annual Technology Conference for April 18 and 19, and working on its third technology survey with assistance from the Legal Services Corporation.

With regard to attorney and bar matters, Ms. Fecko mentioned the summary report issued by the NYSBA President's Committee on Access to Justice on the pro bono work by members of the NYS bar during 2017-19 and her presentation on IOLA accounts to the NYSBA Trust & Estate Section's Think Tank group with

over 75 participants. In addition, Ms. Fecko noted the upcoming NAIP civil legal aid funder conference on May 3, 2023 and the NAIP/ABA Joint IOLTA Conference scheduled for late October/early November in Columbus, Ohio.

Regarding banking, Ms. Fecko noted that the Federal Reserve increases to the federal funds target rate in September and October brought it to 4.00%, with another 0.50% hike expected in mid-December.

Finally, Ms. Fecko noted her efforts on the videoconferencing policy.

**5. Video Conferencing Policy**

Ms. Fecko noted that the IOLA Fund held a public hearing on December 8, 2022, immediately preceding the Board meeting, regarding the adoption of a Resolution Authorizing Videoconferencing by its members pursuant to Chapter 56 of the Laws of 2022, a copy of which is in the Board materials. Ms. Fecko noted that no written comments were received by the December 7, 2022 deadline and no one offered comments during the hearing either in person or via zoom.

Thereafter, Chair Davis made a motion to adopt the Resolution Authorizing Videoconferencing, which motion was seconded by Trustee Lindenauer and adopted unanimously

**6. Executive Report**

Mr. O'Malley acknowledged the efforts by Ms. Agard and Ms. Fecko to conduct bank audit work and reported that New York has been one of the most diligent jurisdictions in the current increasing rate environment.

Mr. O'Malley announced the hiring of Kristen Thompson as a new Grant Assistant and stated that he is close to hiring the second Grant Assistant.

**7. FY24 & FY25 Grants**

Mr. O'Malley provided an overview of the grant process, noting the receipt of 98 applications, 81 of which scored sufficiently to be considered for funding. Twenty-seven applications were from organizations not receiving IOLA funding in the current grant cycle, of which ten scored sufficiently to be considered for funding. Mr. O'Malley described the CLS geographic units and the allocation of funds based on the per capita poverty population. Ms. Fecko described the scoring rubric and criteria, which were revised for this grant cycle based on feedback from the Office of the State Comptroller, and Mr. O'Malley added that IOLA also conducted a Bidders Conference as reported at the September Board meeting. Finally, Ms. Fecko thanked the Trustees for submitting their conflict information and noted that a summary of all conflicts had been shared with all Trustees.

Trustee Lindenauer made a motion to enter into Executive Session to consider matters relating to the financial history and appointment of particular corporations (i.e., IOLA grantees), which was seconded by Trustee Lopez-Soto and approved without objection. While in Executive Session, Mr. O'Malley and Ms. Fecko

provided the Board with additional details and answered questions regarding the recommendations as to grant awards for the FY2024 & FY2025 grant cycle.

Upon exiting Executive Session, Chair Davis thanked Mr. O'Malley for presenting the grant recommendations and invited a motion to adopt the recommendations, which motion was made by Trustee Cirando, seconded by Trustee Madigan and unanimously approved. **MEMO**

**TO:** NY IOLA Management  
**From:** Delta Consulting  
**RE:** IOLA Reporting Package  
**Date:** March 1, 2023

The data in the report represents information for interest earning periods ending December 31, 2022, with key data and metrics presented on a monthly, quarterly, or 12 month basis. (Note: December earnings are due and recorded as January deposits).

### Monthly Summary

For the December, 2022 earnings period as shown below, 174 banks reported gross interest of over \$14.29M. Service fees were at \$124,0280 which were typical for December. For the month, 45,236 accounts maintained average daily balances of just over \$11.7B (which is above the twelve month average of \$10.0B). The gross yield on these accounts, meaning the effective interest rate before fees, was 1.32% for the period, and 1.31% net yield, meaning the return to the Fund after service charges were deducted, which is very good and indicates service fees that are well under control. **Exhibit 1a** displays a chart of the top 30 banks sorted by the amount of balances held at each (as those banks holding the largest balances have the greatest impact on revenue). **Exhibit 1b** is a summary of all banks for the period, sorted alphabetically.

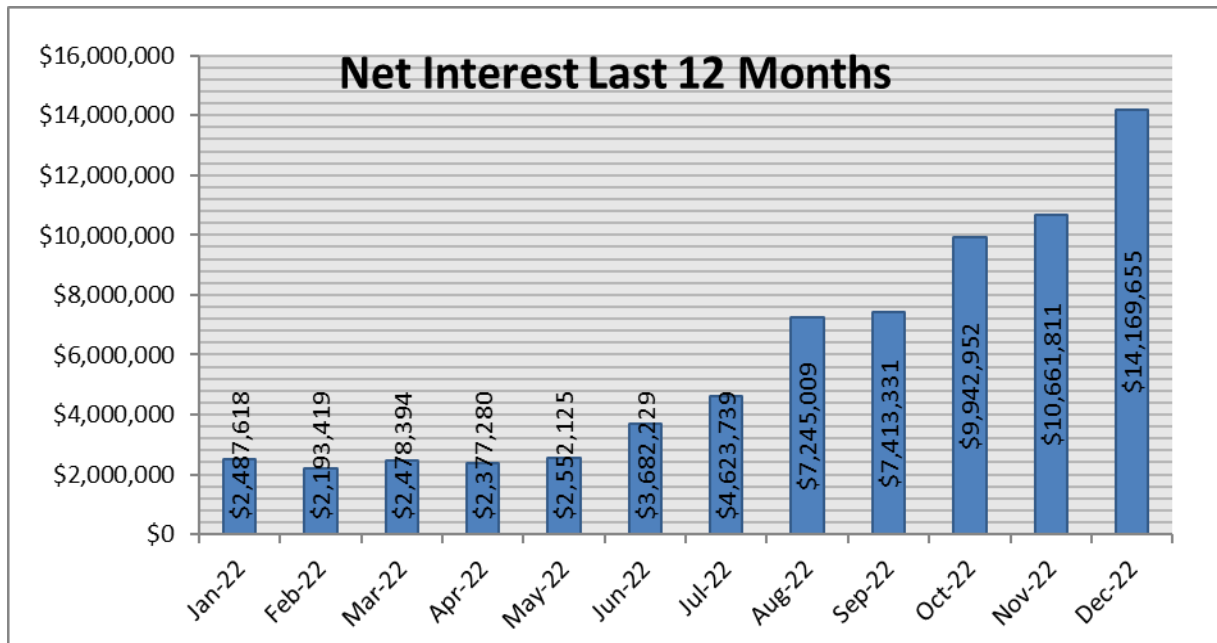

# of Banks Reporting*	Gross Interest	Service Charges	Net Interest	Avg. Daily Balance	Num Accts.	Gross Yield %	Net Yield %
174	14,293,682.73	124,028.43	14,169,654.99	9,382,124,820	45,236	1.32%	1.31%

**Key Index Rates as of

Fed Funds Target Rate (upper range)	4.00%
NY IOLA Benchmark Rate	2.60%
Platinum Partner Rate	2.60%
Gold Partner Rate	2.00%

## Key Metrics-Historical

Looking at several key metrics for IOLA over the past twelve months, we note that net interest (gross interest after service fees) has generally ranged from a low of \$2.19M in February to a high of over \$14.1M in December of 2022. December's earnings of \$14.170M are the highest in the past 12 months and are well above the 12 month average of \$5.82M.

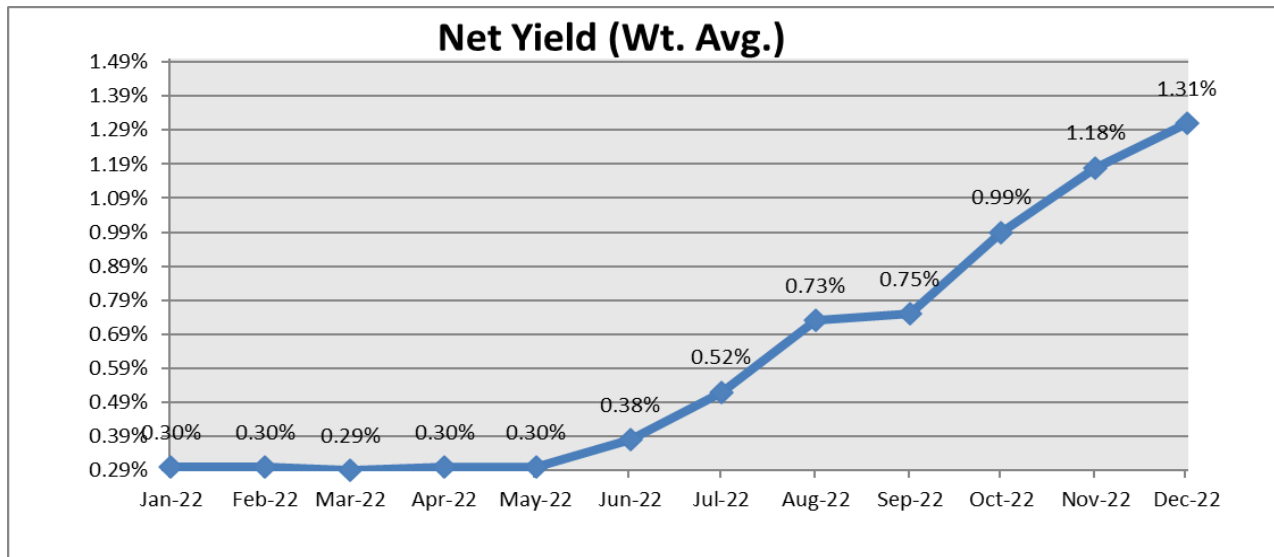

The chart below uses a three month moving average to smooth out the quarterly payments. As can be seen, the net interest moving average as of December is \$8.68M, up from the previous two months and higher than the prior 12 month peak in November. Balances have dropped somewhat from their high in June of \$10.8B to \$9.38B in December.

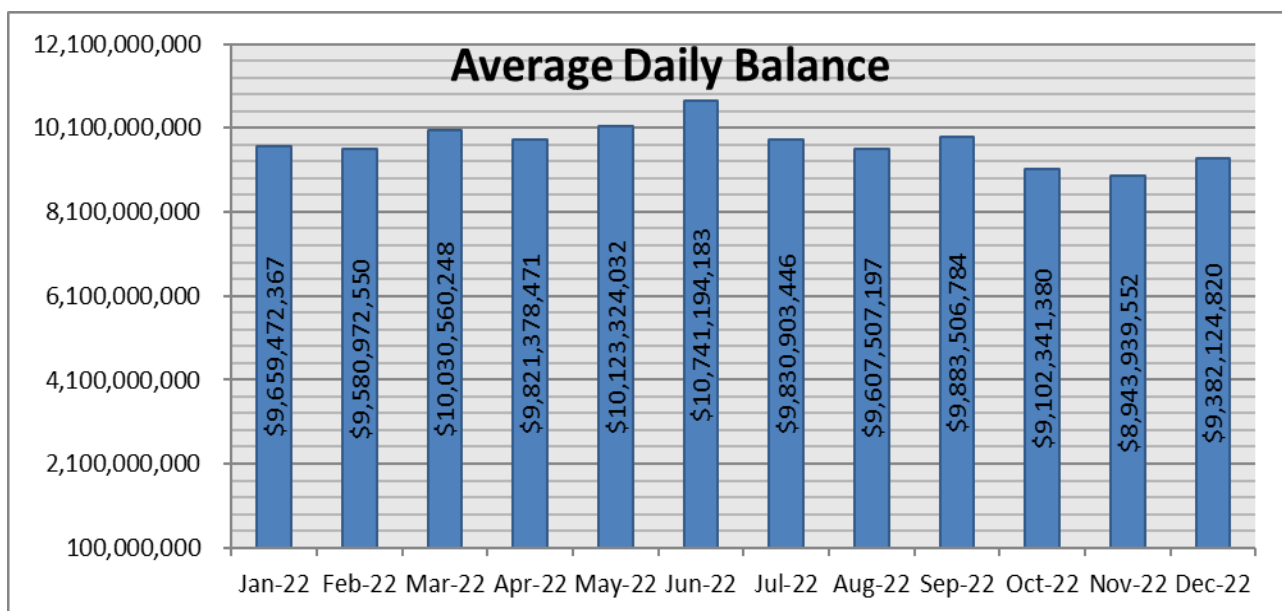

Moving to the factors that influence IOLA revenue, the first is the interest rates earned on all IOLA's and second is the balances maintained in those accounts.

Rates in December have risen 101 basis points over the last 12 months and 13 bp over November's rates. This is consistent with the Fed Funds Target Rate increases in September and November. The yield will continue increasing over the course of the next few months due to subsequent FFTR increases and compliance efforts based on higher overall deposit rates. The terminal level for the Fed Funds rate is expected to be between 5.00% and 5.50% at this time. Although recent inflation data is putting upward pressure on these estimates.

The second of the two factors that determines IOLA revenue is the amount of average balances being held in IOLA depositories. Again, looking at the past twelve months, we see balances generally ranging from \$9.58B to \$10.7B. December's numbers come in at \$9.38B, up slightly from the previous two months. This number is off the previous high set in June of \$10.74B.

**Exhibit 2a** displays the historical balance detail for the 30 largest deposit holding IOLA institutions, along with its 12 month average balance and percentage of total deposits. Sorted by largest balances first, this chart shows the outsized impact the largest IOLA depositories will have on IOLA results. During December, balances were roughly in line for these large institutions. The top five institutions account for 64.8% of total IOLA balances, while the top ten institution's share held 78.7% of total IOLA balances. **Exhibit 2b** displays the same information for all NY IOLA institutions.

We hope you find this information useful and look forward to discussing any questions you might have.

## **The New York Bar Foundation Presents Lifetime Achievement Award to Susan B. Lindenauer**

Albany, NY

The New York Bar Foundation announced that it is presenting Susan B. Lindenauer with its Foundation Lifetime Achievement Award. She will receive the award during the virtual Annual Assembly of the Fellows on Friday, January 27, 2023.

The Foundation's Lifetime Achievement Award recognizes extraordinary Fellows of The New York Bar Foundation, their distinguished careers, and their exemplary service to the public good and the profession. The award is bestowed upon a Fellow who demonstrates outstanding professional achievement, dedication to the legal profession, and commitment to the ideals of the Foundation.

"Susan exemplifies the definition of a Fellow," states Chair of the Fellows, James R. Barnes. "Her dedication to the Foundation, civil legal services, and the Board is unparalleled. It is an honor to recognize her service, her passion, and her commitment to the legal profession and public service."

Lindenauer is being presented the Lifetime Achievement Award in recognition of her extraordinary professional achievements and commitment to the legal profession's highest ideals. Her efforts are reflected in her life of selfless dedication to the rule of law and enhancement of access to justice.

Lindenauer said, "I am honored to receive The New York Bar Foundation Lifetime Achievement Award. My professional career has focused on improving access to justice and supporting the rule of law which is fundamental to our society and our profession. My long-term commitment to the vision and mission of the Foundation, which focuses on both of these, is imperative and is in keeping with my lifelong passion of making a difference."

Lindenauer, a "pioneer among women in the legal profession" was one of only nine women in a class of 280 at Columbia Law School. She began her legal career at Cleary, Gottlieb where she was one of only three female associates. Subsequently, she worked at The Legal Aid Society, tirelessly working to ensure that the indigent received high quality legal representation until her retirement thirty-eight years later. For twenty-five years, Susan served with distinction as counsel to the executive director and counsel to the president and attorney-in-chief (general counsel) at The Legal Aid Society.

Lindenauer has dedicated her life to the pursuit of equal justice through her volunteer efforts as well, holding leadership positions and serving on several New York State Bar Association committees. She has chaired the Criminal Justice Section and the Senior Lawyers Section, served on the Executive Committee, chaired the Legal Aid Committee, co-chaired the Committee on Families and the Law, and served on the Nominating Committee, the Committee on Mandated Representation, and the Committee on Standards of Attorney Conduct. As chair of the Legal Aid Committee, she led the effort to prepare the first study of the unmet need for civil legal services in New York State. Under her leadership, the Task Force on the Family Court completed a report that was instrumental in getting legislation passed and enacted to increase the number of judges in New York's severely under resourced Family Court. More recently the Committee on Families and the Law issued a Report on Racial Justice and Child Welfare which was adopted by the New York State Bar Association.

In addition to her service with the State Bar, Lindenauer serves on the Board of Trustees of the New York State Interest On Lawyer Account (IOLA) Board of Trustees, and as a member of the Board of the Fund for Modern Courts, the New York County Lawyers Association, and LegalMomentum--the Women's Legal Defense and Education Fund; as well as the Chief Judges Commission on Legal Representation of Parents.

Lindenauer has been an active member of the Foundation's Board of Directors for twenty-five years, having served as vice-chair and chair of the Fellows, and currently serves as chair of the Audit Committee, Chair of the Cy Pres and Special Gifts Committee, and chair of the Personnel Committee. She is also the Foundation's Chief Publicity Officer. Lindenauer has been a Fellow of the Foundation since 1985. "It has been my honor to serve with Susan Lindenauer on the Foundation Board," said Carla M. Palumbo, Foundation President. "She is a wonderful mentor for us all."

One nominator, Michael Miller, a past president of both the New York State Bar Association and New York County Lawyers Association shared, "Susan's extraordinary professional achievements and commitment to our profession's highest ideals are reflected in her life of selfless dedication to the rule of law and enhancement of access to justice. Susan is a force of nature and has devoted her life to the finest qualities and ideals of our profession. Susan has made enormous contributions to the legal profession and the community through her nearly four decades in public service as counsel to the executive director and attorney-in-chief of the Legal Aid Society, as well as through various leadership positions at The New York Bar Foundation, the New York State Bar Association, the New York County Lawyers Association, and other organizations."

In addition to being honored by The Foundation, Lindenauer has received the NYSBA Criminal Justice Section's Special Recognition for Service to the Bar and the Community Award, and was the recipient of the prestigious Ruth G. Schapiro Award given by the NYSBA's Committee on Women in the Law. She has also received the William Nelson Cromwell Award from the New York County Lawyers Association and the Medal for Excellence from Columbia University Law School, the Excellence in Mandated Representation Award from the NYSBA Committee on Mandated Representation, and the Champion of Children and Families Award from Legal Information for Families Today (LIFT), and was also recently presented with LegalMomentum's Lifetime Champion Award.

Miller continued, "Susan's example of public service, contributions to the profession and Foundation, and her efforts to advance access to justice and the public interest have truly been an inspiration to countless attorneys over the years. While Susan is a person of quiet dignity and unpretentious elegance, she has always been a fierce and tireless advocate for the most vulnerable amongst us. Susan has been a trailblazer. We sometimes use that term loosely, but Susan is the real deal. Susan Lindenauer's résumé

is truly extraordinary, reflecting a lifetime of service to provide and enhance legal assistance to children and families. The subtext of her résumé reflects that Susan has never viewed the law as a path to power and riches. Rather, it reflects that Susan has viewed the law as a path to empower the powerless and has devoted her enormous talents, dedication, and passion to improve and enhance access to justice and the rule of law. She embodies the core principles of the Fellows and has been a role model and mentor to countless attorneys.”

The New York Bar Foundation is a non-profit philanthropic organization that receives charitable contributions and provides grants to financially support law-related programs of legal services organizations, nonprofits, bar associations and other organizations throughout New York State.
