

Interest on Lawyer Account Fund of the State of New York

Funding civil legal assistance for low-income New Yorkers since 1984

FOR IMMEDIATE RELEASE

(New York, New York) December 8, 2022- The Interest on Lawyer Account Fund of the State of New York (IOLA) Awards \$100 Million in Legal Assistance Grants

The IOLA Fund of the State of New York, announced that at its meeting held on December 8, 2022, the Board of Trustees awarded \$100 million in grants to support 81 programs that provide civil legal assistance to low-income New Yorkers throughout the State. The grants awarded by the Board of Trustees will cover a 25-month period, March 1, 2023 - March 31, 2025.

The Fund administers two grant programs: Civil Legal Services, which support programs that provide a broad array of free legal services in housing, family law and public benefits, among others, and Administration of Justice, which supports programs that serve special populations such as the elderly, the disabled, immigrants, children and victims of domestic violence as well as other programs that improve the administration of justice in New York State.

The Legislature created the IOLA program in 1983. The Fund is administered by a Board of Trustees appointed by the Governor. It enables interest to be earned on short term or nominal deposits held in a lawyer's pooled client trust account, with the interest remitted directly by the financial institution to the Fund for distribution in grants. For the ninth consecutive year the interest generated by lawyer's accounts was augmented by support from the Office of Court Administration. IOLA is very grateful to Acting Chief Judge Anthony Cannataro for his support of IOLA and its mission.

A schedule of the 2024-25 grants is attached.
